UCAS

# Choosing the right university for you

- **Style** – from traditional, with a focus on subject-based courses and research, to modern universities with a greater focus on vocational courses.
- **Location** – some are based in large cities, others in smaller towns. This can have a major influence on the environment and lifestyle on offer.
- **Size** – larger universities can have more than 20,000 students, whereas some of the smallest have only a few thousand.
- **Culture and facilities** – influenced by a range of factors, including the diversity of students who attend.
- **What graduates do** – all universities collect destination statistics. It can be interesting to find out the types of jobs or further study students go on to.
- **Living costs** – accommodation, transport, and food can vary enormously.

# Choosing the right course for you

- What does the course cover?
- Courses with the same title may be very different.
- Look carefully at the core course content, and the range of optional studies/modules available.
- Which modules are the most interesting and relevant to career aspirations?
- See if the course or university/college offers any internship, placement, or study abroad opportunities.
- How is the course taught – structured teaching, or more independent research? How many lectures are there, and how much group work will be done in seminars?
- How is the course assessed?

## Research resources

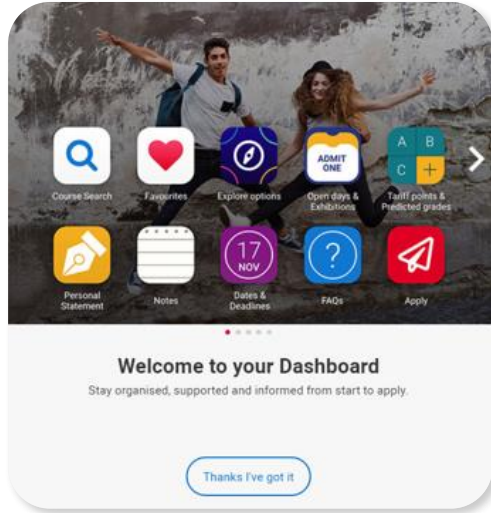

# Research – it's free!

- [Register in the UCAS Hub to explore options](#) – find and favourite courses and search for virtual events - all in one handy place!
- Learning from others – [student videos](#) and [blogs](#).
- [Career options](#) – use the [job profiles](#) to explore different career roles and pathways or take the [Buzz quiz](#) to find out more about individual strengths, and what roles may suit.
- The [Career Finder tool](#) is ideal for considering options after education.

# Before you apply...

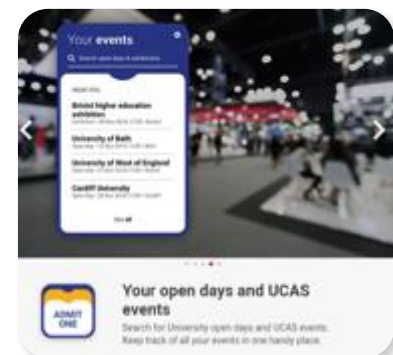

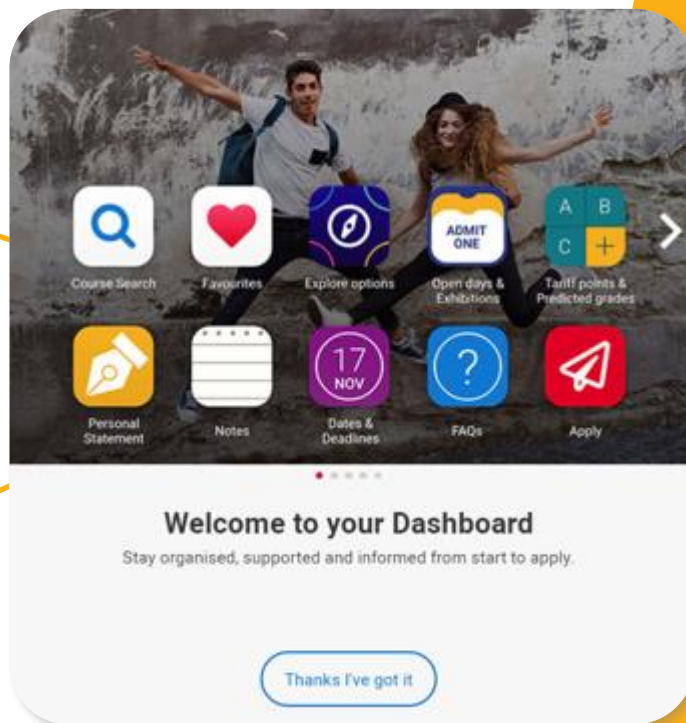

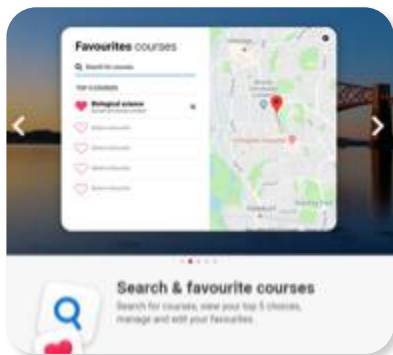

Register in the UCAS Hub to explore your options, such as:

- find and favourite over 35,000 courses

# Virtual tour search; you can search for a university tour on the UCAS website

The screenshot shows the UCAS website's 'Virtual tours' section. At the top, there is a navigation bar with links for 'Undergraduate', 'What and where to study', and 'Open days and events'. Below this is a large heading 'Virtual tours' and a sub-heading 'Explore this section'. A search bar is present with the text 'What to search for...'. Below the search bar, there is a paragraph: 'Here's a list of virtual tours and videos from universities and colleges, so you can see what it's like on campus and what facilities are available.' Below this paragraph, there is a note: 'If the universities you're interested in isn't listed, take a look at their website or YouTube channel instead.' Below the note is an alphabetical index of letters from A to Z. Below the index, the letter 'A' is highlighted, and a list of universities starting with 'A' is shown: 'University of Aberdeen', 'Aberdeen University II', 'Aberystwyth University III', 'Academy of Contemporary Music II', and 'Ardar University (Lower HE Campus) I'.

# References

## Who should write your reference?

- This is usually someone who knows you academically – If you decide to choose one of your lecturers you should firstly ask them if this is OK.
- You should then choose their name in the drop down menu at the start of your application.
- As a SWAP student you should also request your reference from the course tutor. Instead of selecting an individual referee on the application, you should select your course
