

GLASGOW KELVIN COLLEGE**Academic Board - 6 May 2022****Education Scotland Progress Visit****Report by Head of Quality****1. Introduction**

Education Scotland will carry out a Progress visit (PV) at the College on Monday 9th May and Tuesday 10th May. A feedback meeting will then take place on Wednesday 11th May for senior managers.

PVs provide external evaluation of progress against actions for improvement within the Enhancement Plan (EP). PVs are carried out annually and planned collaboratively between the College, ES and SFC. Following a PV, a written report containing a statement regarding progress made against EP targets will be provided to the College and shared with the Board of Management. ES will produce a summary report for SFC on completion of all college PVs.

2. Body of the report and impact on the College

At the request of Education Scotland, the PV will focus on the following five themes:

- Curriculum, learning and teaching, and assessment
- Learner progress and outcomes
- Services to support learning
- Learner engagement
- Evaluation to facilitate improvement

A series of meetings has been arranged to facilitate discussions between the inspectorate and selected members of staff. A copy of the schedule is attached in Appendix 1.

3. Resource Implications

Staffing arrangements are in place to ensure that the most appropriate staff are available to attend each meeting.

4. Equalities

There are no equality implications arising directly from this report.

5. Risk and Assurance

This report provides assurance that the College has arrangements in place to continually monitor our academic performance and to provide remedial action to improve our performance.

6. Data Protection

There are no data protection implications arising directly from this report.

7. Recommendations

Members are recommended to note the contents of the paper.

8. Further Information

Further information regarding the content of this paper is available from Robin Ashton, Vice Principal o John Gallagher, Head of Quality.
