

DHD: 0850225

27 February 2025

Dear

Thank you for your request for information under the Freedom of Information (Scotland) Act (2002).

I now respond to your request as follows:

“...Women in Construction. Do you know if it is possible to access any data from Glasgow Kelvin regarding the number of overall students vs female gender specific that enrol onto construction courses and/or complete them over a span of the last 5 years..”

“...I understand that it may not be straight forward as course titles can change, with qualification levels added and removed over the years but is it possible to break this information down further to the values per course?..”

Please refer to the attached enclosure.

In addition to the data provided, the College intends to offer a [NQ WOMEN INTO CONSTRUCTION: SCQF 5](#) course in academic year 2025/2026. To date, the course has received 62 applications.

I trust the above response meets your request for information in full.

Should you be unhappy with the College's response you may seek a review, by writing to Derek Smeall, Principal. Your grounds for seeking a review should be included in your request.

I also wish to advise you that the Scottish Information Commissioner has launched an online appeals service via their website – the link is as follows:

www.foi.scot/appeal

Other contact information for the Scottish Information Commissioner is listed below:

Tel: 01334 464610

Email: enquiries@foi.scot

Thank you for your interest in the College.

Yours sincerely

Donald Higgins – Durnan
Corporate Support and Administration Manager
